The Village of Mulberry Grove Residential Trash Pickup Bidding Guidelines

The Village of Mulberry Grove is seeking bids for residential trash pickup. Listed are conditions that the Village would like included in the contract.

1. Curbside pickup at every residential location, once a week. Contractor would be responsible for supplying totes for each location. The day of pickup would be agreed upon by contractor and Village. An exception to be made for persons physically unable to move toter. These persons would be allowed to set an agreed amount of refuse out. An option (including pickup schedule and pricing) needs to be included for dumpster in place of toter. Price for each additional toter needs to be specified. EX: 1 resident – multiple toters. Toters will be color agreed upon by Village, options to be provided by contractor.
2. Contractor would be responsible for any spilled trash during pickup.
3. Contractor will provide options for billing
 - A. Village billed monthly for total of contract
 - B. Each customer individually billed by contractor.
4. Contract to be submitted in length of 5 years, options of 3 or 7 years can be included.
5. There will be no provision for contract extension beyond the period of this contract.
6. There will be no pickup before 6 AM on day of pickup.
7. A list of scheduled date changes to pickup needs included. Holiday schedule or change of day.
8. An option for dumpsters once a year for Village clean up.
EX: 6 roll offs for 1 week during Village wide clean up. Price to be per roll off as total needed may change year by year. Size of roll off needs to be specified.
9. One toter to be provided at Village Hall for Village use.
10. Price schedule for any commercial property that would choose to use a toter for pickup. Commercial property is not required to use Village contractor, but would have an option to if they so choose.
11. Contractor does not have sole right to dumpster service for construction, clean up or any commercial service.
12. Contractor will carry all liability / workmens comp or other insurance deemed necessary.
